

Movie Night!

Type the word “beads” into your online DVD rental service's search engine, and the movie *Beaches* or *Blades of Glory* might pop up. Though you may enjoy watching these films, they probably weren't what you were looking for. But type in the same word at www.smartflix.com and you'll get thirty-nine relevant results. That's because SmartFlix is the Web's largest home for how-to videos. What does that mean for beaders? More than one hundred beading-related titles to rent! Categories include beading, jewelry making, polymer clay, and lampworking, not to mention crocheting, knitting, and more. The average price is \$9.99 a week per DVD, which includes round trip postage. Visit WWW.SMARTFLIX.COM for more information.
